Kenya Film Agents

Kenya and East Africa has plenty of beautiful sceneries that can be used for any kind of film production. We are accredited Film Licensing Agents in Kenya Registered with the Ministry of Information and Communication under the Department of Film Services. We offer efficient processing of film licenses, special passes and permits for both local and foreign crews. Kenya is a free film production country and there exists no limits to how many foreign crew members can visit for a shoot at any particular time.
